INFORMATION

Founded in 2009, the North American Prospects Hockey League (NAPHL) has established itself as the premier training ground for the development and exposure of 18U, 16U, 15U and 14U teams at the Tier I level. Each year, NAPHL teams compete in high-profile showcase events strategically located and timed to maximize scouting exposure. Each event is scouted by individual NAHL team scouts as well as the NAHL's Central Scouting Staff which tracks all NAPHL players throughout the year and sends individual scouting reports to junior teams and college coaches. In the past 9 seasons, the NAPHL has produced hundreds of alumni that have advanced on to junior hockey. In addition, dozens of players have followed the NAPHL's pathway to success from the NAPHL to the NAHL to NCAA Division I hockey.
