OUR HISTORY

Celebrating its 14th season in 2022-23, the North American Prospects Hockey League (NAPHL) is made up of three Leagues: T1ER League (Tier 1), SHOW League (Tier I/ II), and the FALL League (September / October Season).

The NAPHL has established itself as one of the premier grounds for development and exposure. The success of teams on the National stage, as well as the success of NAPHL players at the next levels of hockey, is further proof that the NAPHL is redefining exposure and has elevated itself to one of the premier training grounds for development and opportunity.

In the last three years, no other USA Hockey Midget Tier I league has had more players play in the NAHL than the NAPHL

DIXON CUP CHAMPIONSHIP

The stage is set, champions will be crowned this week in Michigan. Teams in the T1ER League will go head to head for the right to hoist the cup. There will be a new champion at the 18U, 15U and 14U levels while the Esmark Stars will look to repeat at the 16U level. The successful advancement of T1ER players is due to the internal mechanisms the NAHL has created exclusively for the members of the NAPHL. This weekend, all 31 NAHL teams will be in attendance looking for the next wave of players to make their mark in pursuit of a Robertson Cup championship and more NCAA commitments. To date, 37 players in the T1ER league have signed tenders with clubs in the North American Hockey League (NAHL).

SHOW AMERICAN DIVISION FINALS

More championships will be on the line in Michigan as the NAPHL's SHOW American Division championships will be awarded. 16 teams at the 18U and 16U levels will be split into four groups of four. The winners of the four groups will advance to the semifinals with the winners of the semifinals advancing to the championship game.

NAPHL ALUMS MAKING THEIR MARK IN NAHL

As the North American Hockey League season reaches the midway point of the 2022-23 season, the top players in the league are starting to separate themselves from the middle of the pack. NAPHL alums find themselves up and down the NAHL leader board in points with the following names ranked inside the top 30.

Branden Piku - Maryland Black Bears: Branden Piku made a name for himself during the 2018-19 NAPHL season with the Meijer AAA (now Biggby Coffee AAA program) as his “Michigan” goal during the NAHL Showcase got him on Sportscenter. In 2020, the Michigan native burst into the NAHL with the Maryland Black Bears. He scored six goals and 13 points in 28 games his rookie season. In his first full year with the club, he was nearly a point-per-game player as he notched 18 goals and 50 points in 57 contests. In his third and final junior season, Piku has lit the lamp 14 times and has 33 points through 30 games this year. He is committed to Lake Superior State University.

Current Northeast Generals forward and NAPHL alum Jake LaRusso is currently tied for third in the NAHL with 46 points.

Jake LaRusso - Northeast Generals: The native Colts Neck, New Jersey has had a long NAHL career after playing his 15U season with the New Jersey Jr. Titans. The forward dominated his time in the NAPHL as in 12 total games, he scored 14 goals and had 28 points. LaRusso has appeared in the NAHL the last five seasons, spending most of his time in New Jersey with the Titans, he spent time with the North Iowa Bulls last season and started this year there before being traded to the Northeast Generals. LaRusso had 27 goals and 69 points in 124 career games with the Titans. He grabbed another seven goals and 25 points in 44 games with the Bulls before finding his stride this year with the Generals. In just 33 games with his new team, the veteran forward has 26 goals and 45 points, giving him the league lead in goals and his point total third most in the NAHL. In total, LaRusso has appeared in 201 NAHL games and has logged 60 goals and 139 points.

Jackson Reineke - Anchorage Wolverines: From Fairbault, Minnesota, Jackson Reineke spent parts of four seasons in the NAPHL. He played with the 16U team as a 15 year old back in 2017-18. He then played for the 18U team for the next three seasons, finishing his youth career with 21 goals and 44 points in 67 total games. He would be on the roster for the inaugural Anchorage Wolverines team that went all the way to the Robertson Cup National Championship, with Reineke scoring the overtime winner in their semifinal series against the St. Cloud Norsemen. To date, the forward has appeared in 91 NAHL games, potting 28 goals and 75 points.

Aiden Westin - Anchorage Wolverines: Anchorage native Aiden Westin spent three years in the NAPHL before breaking through into the NAHL. The forward racked up 21 goals and 60 points in 56 games. He was sensational for the Wolverines in his first junior season as his 51 points ranked third on the club. In his final junior season, he's been even better as he currently ranks tied for fifth in the NAHL with 43 points in just 37 games. His 19 goals are tied for eighth most in the league.

NAPHL ALUMNI RECOGNIZED BY NHL CENTRAL SCOUTING

The influence the NAPHL and its former players are having in the NHL took another big step this week with the release of the 'Prospects to Watch' list for 2023 draft-eligible players, which is created and developed each season by NHL Central Scouting.

It is a preliminary list of players to watch for the 2023 NHL Draft in North America and Europe.

Six former NAPHL players have been recognized on the list.

The lists, comprised of "A," "B" and "C" players for the upcoming season in each of the major junior hockey leagues, are sent to NHL team scouts for the purpose of tracking the top draft-eligible players entering the 2022-23 season.

The players on the preliminary list with A ratings are considered potential first-round picks. Players with B ratings are considered possible second- or third-round choices, and those with C ratings are potential fourth-, fifth- or sixth-round selections.

Kaden Shahan, who played the last two years in the NAPHL for the Northwest Stars, is one of six NAPHL alumni recognized by NHL Central Scouting.

NAPHL Alumni:

Gavin Brindley, F, Michigan (NCAA) (Florida Alliance 16U, 2019-20)

Jacob Fowler, G, Youngstown (USHL) (Florida Alliance 16U, 2019-20)

Jack Harvey, F, Chicago (USHL) (Gentry Academy 16U/15U, 2018-20)

Thomas Kiesewetter, G, Corpus Christi IceRays (NAHL) (Maine Nordiques 18U, 2021-22)

Zach Nehring, F, Shattuck-St. Mary's Prep (Shattuck-St. Mary's 18U, 2020-21)

Kaden Shahan, F, Sioux City (USHL) (Northwest Stars 18U/16U, 2020-22)

This past summer, nine players with NAPHL ties were selected in the 2022 NHL Entry Draft, which was held on July 7-8 at the Bell Centre in Montreal, Quebec, and hosted by the Montreal Canadiens.

The nine NAPHL players taken in the 2022 NHL Draft was an all-time record for the NAPHL. It was yet another benchmark moment for the NAPHL, which is currently in its 14th season in 2022-23 with teams at the 18U, 16U, 15U, and 14U USA Hockey Tier I and Tier II youth levels. The success of teams on the National stage, as well as, the success of NAPHL players at the next levels of hockey, is further proof that the NAPHL is redefining exposure and has elevated itself to one of the premier training grounds for development and opportunity.

What is a tender?

A tender is a contract, of sorts, a player signs announcing his intentions to play for the particular NAHL team and that NAHL team only. Once a player signs a tender with an NAHL team, his playing rights belong to that team within the NAHL and he may not be recruited by any other NAHL team. Each team is granted ten (10) tenders - plus or minus any trades - which became active on November 1, 2022. Tendered players are not eligible for the 2023 NAHL Draft.

The top of the 18U SHOW American Division is considerably top heavy as the top six teams are separated by just four points. Sitting as the top dog coming into the championship weekend is St. Viator after compiling a record of 7-1 through the first two events of the season. Their 45 goals scored leads the league by a wide margin while their 15 goals allowed ranks in a tie for second. The Portland Jr. Winterhawks have yet to lose in regulation this season as they are 6-0-2 this year. They've done it by allowing the fewest amount of goals, just 13 through eight games. Their offense will need to pick up if they hope to make a run at the title as they have netted just 20 goals so far. The Lincoln Stars could very well find themselves in the title game as they were the only ones to take down St. Viator, winning that contest 3-1 back on December 16th. The Golden State Elite come into the weekend with a 5-1-2 record, averaging four goals per game and allowing just under two. The Weber Mustangs have won six games and have 16 points in the standings. Pacific Ridge also has 16 points, sporting a 5-2-1 record. Denver East and Tri State round out the top eight in the standings as they have 13 and 11 points respectively.

Top performers for St. Viator include Angelo Massaro and Sean Nutley. They each have 11 points through 8 games. Jake Knieling is the top defenseman in the group as he leads the team's back end with 4 goals and 10 points.

Max Oppenheim leads Golden State with five goals and 13 points. Paavo Makela is right behind him on the leaderboard with five goals of his own and 12 points.

Weber's Boston Bradshaw is among the league leaders in goals with six. He is tied for the team lead in points with Jack Kralik, who also has six points.

In the blue paint, Golden State's Hunter Oblander leads the league with a 1.30 goals against average. His .935 save percentage is also near the top of the league leaderboard. He has two shutouts as well.

Dominic Grimaldi of St. Viator is 5-1 with a 1.81 goals against and a .920 save percentage and leads the league with three shutouts.

At the 16U level, the Texas Warriors are perfect with the Weber Mustangs right behind them. In a game that determined who would grab the top spot heading into the playoffs, the Warriors grabbed a 2-1 victory over Weber back on December 18th. That was the difference between first and second as that was Weber's only loss in eight games. After that, the standings get immensely crowded with three teams holding a 5-3 record, two more sitting at 4-4 and one team with a 3-4-1 record. The Tampa Crunch, Clearwater Ice Storm and SISU Thunderbirds all sit at 5-3 in the standings. The Crunch taking the top spot among the three with a head to head win over the Thunderbirds and an overall +21 goal differential. In a tie for sixth sit the Park City Ice Miners and the New Mexico Ice Wolves. Park City getting the tiebreaker as they knocked off the Ice Wolves head to head. The final team in the top eight is St. Viator. They have 10 points and a -2 goal differential.

Leading the league offensively is Mookie Killen of the Tampa Crunch. In eight games, the forward has eight goals and 16 points, averaging two points per contest.

The next three top scorers all come from the Weber Mustangs. Anders Waugaman has seven goals and 13 points to lead the team. Cooper Ford (8 goals and 4 assists) and Keegan Clark (7 goals and 5 assists) each have 12 points through eight games.

Evan Bain of the Park City Ice Miners rounds out the top five as he's got seven goals and 11 points through his eight games this season.

In between the pipes it's been almost impossible to get pucks by the combination of goaltenders Weber has. Yair Perez is 3-1 with a 0.50 goals against and a .972 save percentage to go with three shutouts. Anderson Snider is a perfect 4-0 allowing 0.75 goals per game and a sparking .953 save percentage with two shutouts. The Mustangs will be looking to ride this goaltending to a championship.

Texas Warriors goaltending duo of Walter Jimenez III and Aden Ziogiannis has been sensational as well. Jimenez III has numbers of 1.25 and .902 while Ziogiannis has a 1.50 and .903. They each have one shutout this season.
