PROUDLY PRESENTS

## 2013-14 BANTAM TOURNAMENT SERIES

The North American Hockey League (NAHL) proudly presents the Bantam Tournament Series (BTS). Now in its second season, the BTS will bring together 14U teams from across North America to compete in cooperation with select North American Prospects Hockey League (NAPHL) events.

The NAPHL is composed of Midget Major (18U) and Midget Minor (16U) teams that compete at the Tier I AAA level. Now entering its fifth season, the NAPHL has established itself as a premier training ground for development and exposure. NAPHL events are strategically placed across the country and designed to maximize exposure by providing an organized and competitive experience that attracts an unrivaled scouting presence from college and junior scouts.

In 2013-14, there will be three BTS events, each of which will feature the following:

- Guaranteed scouting presence from NAHL teams.
- Events coordinated and operated by the experienced and professional staff of the NAHL.
- Real-time statistics and game tracking provided by Pointstreak.
- Live online video broadcast of every game by FASTHockey, official broadcast provider to the NAHL.
- All events will be sanctioned by USA Hockey.
