LETTER FROM THE COMMISSIONER OF THE NAHL

Welcome to another great season of NAHL Hockey! We are thrilled to be celebrating and returning for another NAHL season with all of our teams, players, parents, fans, scouts, partners, and volunteers, and thank you for your support of our teams and the NAHL family of leagues.

What we experienced in 2020 is truly unprecedented and it has left each and every one of us with a new appreciation for the game that we love. While our return to the ice took a little longer than we would have expected, we are thrilled to be back and continuing the opportunity of advancement and development for our players. Each and every one of our teams and owners are to be commended for the way they navigated through this difficult period. The NAHL and its family members and clubs continue to utilize the latest information available in order to provide the safest environment as possible for all of the players, coaches, staff, billet families and fans.

If a player's goal is to play NCAA hockey and beyond, the NAHL has proven to be the best place to achieve this goal. We are now at the point where on average half the players from every NAHL team are making NCAA commitments each season. Now in our 46th year, there has never been a better time to be playing or be a part of the North American Hockey League. In the past five years, over 1,500 NAHL players have made NCAA commitments. In addition, 34% of all freshmen that played NCAA Division I hockey this past season, played in the NAHL.

During the 2019-20 season, the NAHL set yet another all-time single-season record of 359 NCAA commitments during one season, including a record number of 249 NCAA Division 1 commitments, further reinforcing that when it comes to players entering the league without a commitment, but earning one while they are playing in the league, there is no one better at it than the NAHL.

It is also thanks in large part to our committed ownership, who all take a financial risk by providing players top quality coaching, skill development and community-supported teams in stable markets, and one-of-a-kind events that provide unparalleled exposure.

This is truly an once-in-a-lifetime opportunity for players to develop, grow and mature so that they may become better hockey players and better people. We continue to ensure that the competition and league-wide events remain at the highest level, while also maintaining a focus on educating our players about NCAA compliance and the importance of education.

A big part of our success lies within the NAHL family of leagues, which includes the North American Prospects Hockey League (NAPHL), which specializes in elite youth development, and the North American 3 Hockey League (NA3HL), a first-step developmental junior league. Each year we experience more in season movement and more advancement up the ladder of development than the year before.

Inclusive of the NAHL, the NAPHL and the NA3HL, we provide more places for players to play, coaches to coach and officials to officiate than any hockey property of our kind, which truly defines the NAHL as the League of Opportunity.

Welcome back and we hope you enjoy the season!

Mark Frankenfild

NAPHL ALUM THATCHER DEMKO WINS NHL PLAYOFF DEBUT

NAPHL alum Thatcher Demko made 42 saves in his first Stanley Cup Playoff start, and the Vancouver Canucks defeated the Vegas Golden Knights 2-1 in Game 5 to extend their Western Conference Second Round series at Rogers Place in Edmonton on Tuesday, Sept. 1, 2020.

“It’s special ... it’s my first time being in the playoffs,” Demko said. “It’s a unique circumstance (with goalie Jacob Markstrom being unfit to play), but playoffs nonetheless, and this is what I’ve wanted to be a part of since I was a kid, so being able to get this opportunity is super special. I want to just keep helping any way I can.”

Demko, a rookie, was the 15th goalie in NHL history, and second in two nights, to make his first NHL playoff start and win when his team was facing elimination. Michael Hutchinson did the same for the Colorado Avalanche in Game 5 against the Dallas Stars on Monday, Aug. 31.

Demko is the first rookie goalie to win his NHL playoff debut when his team was facing elimination since Jose Theodore of the Canadiens in 1997.

“I think at this point you rely on the work you put in,” Demko said. “I’ve been doing my thing in practice, making sure my details were where they needed to be. It’s different than a game, but everything you see in a game, you’ve seen at some point in practice, and you just have to rely on that.”

Prior to Sept. 1, the 24-year-old had seen 8:26 of playoff action in 2020, mopping up for Markstrom in the third period of a 5-0 Vegas blowout in Game 1 of their Western Conference semi-final series.

Demko spent time developing in the NAPHL as the goalie for the California Titans 16U team during the 2010-11 season. Sporting a 7-2-1 record with a very respectable 92.2% save percentage and a 1.90 goals against average. His save percentage and goals against average both ranked fourth in the 16U Division during the 2010-11 season.

On April 21, 2016, Demko signed a three-year, entry-level deal with the Canucks after three successful seasons at Boston College.

During his final season playing NCAA hockey, the 6-4, 195-pound goaltender was awarded the 2016 Mike Richter Award as the most outstanding goaltender in NCAA men’s hockey. He was also a finalist for the 2016 Hobey Baker Award.

NOW, LET YOUR GAME PICK YOUR SKATES.

Our revolutionary new Performance Fit System lets players, for the first time ever, choose the best performing skate for their game, regardless of foot shape. That's because Vapor, designed for quick players and Supreme, engineered for players with a longer stride, now come in three distinct fits. So every player gets great performance and a great fit.
